Homeowner Certified Statement

Please use the boxes to indicate the work that will be done by the homeowner:

Homeowner Acting as General Contractor (Supervising): Monitoring the entirety of the work taking place in the home by contractors (licensed, if required by law and current Town of Bennett Contractor Registration) on Town of Bennett permit. State License Number(s) if applicable: _____; _____

Work by Homeowner: Homeowner is performing all or some of the work in the home. Mark all that apply below:

- Framing Electrical Plumbing Mechanical Other (Indicate Below)

I certify that all of the work indicated on the permit application and on this form will be done by me (the homeowner) or the licensed/registered contractor(s) listed on the permit and that the following information is true:

- A. I am the property owner at _____ (the "Property").
- B. The Property is NOT a rental property.
- C. The Property is NOT currently for sale and I have no plans to sell it upon completion of the work indicated on the permit application and this form.
- D. The Property is NOT generally open to the public.
- E. I will have all work inspected at each of the following stages:
 - 1. Before installing insulation, drywall or any kind of covering (if applicable).
 - 2. Upon completion of the project, per any required inspections specific to the project; and
 - 3. Before occupancy (if applicable)
- F. I will be present for all building inspections.

All work will be done in compliance with the Town of Bennett Municipal Code, including safety and building codes, all electrical work will be done in compliance with the National Electric Code, and all plumbing work will comply with the current adopted state plumbing code.
